IMPORTANT NOTICE FOR ALL COMPETITORS ON DRAG/BURNOUT DAYS.

- 1) Gates open at 8:00 am.
- 2) Fill in all the details (clearly) on your competitor entry form.
- 3) Empty car boot of all tools etc. and car of all loose items. Car should be Drag ready, including tyres for street or drag class. **There will be NO class changing during the day.** Street on all four or drag tyres on all four, **prior** to scrutineering.
- 4) Scrutineering commences at 8:30 am.
- 5) Line up for scrutineering – The scrutineer will go through the checklist, when completed, declare you are over 18yrs old by signing the checklist (proof may be required) – then you can park your car.
- 6) Bring your completed entry form A.S.A.P. to the check-in table at the pit office.
- 7) Fill in your name & sign the waiver form.
- 8) Make sure you get your pit pass band put on your right wrist.
- 9) **MINIMUM OF TWO (2) RUNS TO QUALIFY FOR FINALS.**
- 10) Street class cars must have roadworthy street legal tyres. No street slicks or dot approved tyres allowed in Street Class – Cars with these tyres will go into Drag class.
- 11) Cars with Nitrous Oxide will be in Drag class regardless of setup.

PLEASE BE AWARE THAT THE PIT GATE CLOSSES AT 10:45 am.
LATE ARRIVALS CAN EXPECT DELAYS.

BURNOUT COMPETITORS NOTE: YOU GET ONLY ONE CHANCE ON THE PAD.

- 1) Only the Driver and ONE passenger are allowed to enter the infield to the burnout pad.
(No passengers on bikes)
- 2) **You have approximately two (2) minutes on the pad to give it your “ALL”. If unable to perform, you will leave the pad earlier.**
- 3) A stopwatch will be set to time you.
- 4) Red flags and sirens indicate your time is up – smoke or no smoke. Failure to comply will see you disqualified from the competition.
- 5) **Once your time is up, pull to the OUTSIDE OF THE SPEEDWAY TRACK to check for fire, etc. PLEASE DO NOT drive on our speedway track to get back to the pits. Your consideration would be appreciated.**
